

CUTISS AG, a biotech company spin-off of the University of Zurich (UZH), focuses on the development of personalized bioengineered skin graft products for the treatment of skin defects. Its lead product denovoSkin™ has successfully completed Phase I in pediatric patients. Clinical Phase II studies are underway in Europe and Switzerland. The Automation program is ongoing to revolutionize product manufacturing. The company has also launched a program on skin pigmentation restoration via a CE marked medical device.

We are currently seeking a highly motivated and experienced

Finance Associate Manager 80-100% (f/m/d)

Start: as soon as possible

In this exciting leadership role, you will implement, manage and run all the finance activities of the company. This is a unique opportunity to be a major contributor to the success of a well-positioned Biotech/Medtech/Life Science company heading towards commercial activities and IPO readiness.

Your Responsibilities

- Provide accounting and closing skills to ensure accurate accounts and timely reporting and ensure the best quality of financial data, compliant with Swiss and IFRS standards and statutory requirements
- Provide strong support for the continuous evaluation of short and long-term strategic financial objectives and evaluate and advise on the impact of long-range planning, introduction of new strategies and regulatory action from the financial view
- Manage external accounting partners and manage and monitor metrics, KPI tracking, and reports
- Evaluate the financial performance of the organization and measure returns on investments
- Provide timely and accurate analysis of budgets, financial trends and forecasts to Executive
- Ensure that effective internal controls are in place and ensure compliance with state and local regulatory laws and rules for financial and tax reporting. Further support Executive in relation with external auditors
- Manage procurement
- Support Executive to maintain shareholder administration incl. ESOP
- Take hands-on support position of developing, implementing, and maintaining a comprehensive COGS controlling program, optimization and forecast towards commercial activities (ATMP and Medical Device)

Your Profile

- MSc in Accounting, Finance or related field, MBA or CPA
- Proven experience in an equal position for a minimum of 5 years
- In depth knowledge of corporate financial law and risk management practices
- Excellent knowledge of data analysis and forecasting methods
- Proficient in the use of MS Office and financial management software (e.g. SAP)
- Fluent in English and German (min. level B2), both oral and written. Italian or French is a plus

We offer

- High pace start-up environment
- Flexible working hours in arrangement with the head of department
- Competitive benefit package
- A young and dynamic team
- 5 weeks holidays (at 100% work quota)

Starting date: as soon as possible or as agreed

Place of work: 8952 Schlieren
