

CUTISS AG, a biotech company spin-off of the University of Zurich (UZH), focuses on the development of personalized bioengineered skin graft products for the treatment of skin defects. Its lead product denovoSkin™ has successfully completed Phase I in pediatric patients. Clinical Phase II studies are underway in Europe and Switzerland.

For our expanding Quality department in Schlieren, Switzerland, we are currently seeking a highly motivated and experienced

## **Cleanroom Facility Technician (80-100%)**

In this exciting role, you ensure a timely and accurate execution of key Quality Control activities and will be responsible for the following activities:

### **Your responsibilities:**

- Optimizing procedures that ensure that Quality Control samples are stored correctly and tested in a timely manner.
- Conducting environmental monitoring activities in cleanroom areas.
- Responsible for the life-cycle management of laboratory materials, including ordering and sampling of reagents that will be used for GMP purposes.
- Monitors contractor performance and works closely with external suppliers and contractors to ensure work is completed according to specifications.
- Supporting the general maintenance activities for the cleanroom and the equipment.
- Routinely verifying that core cleanroom components (HVAC, filters, water system, etc) are working appropriately.
- Ability to work in cleanrooms.

### **Your Profile**

- Apprenticeship as Lab Technician, a degree in Biology Laboratory Assistant (“Biologielaborant mit eidg. Fachausweis”) or equivalent
- Min 1-2 years’ of experience working within a regulated environment (Pharmaceutical industry, Life-sciences industry etc. ) is an advantage
- Good knowledge in English, both oral and written, French, is a plus
- Excellent communication and interpersonal skills, proactive interaction with key personnel from different departments within CUTISS and suppliers
- Attention to detail with excellent organizational and record keeping
- Can-do attitude with proven ability to take initiative, multi-task and prioritise to think and react in a very dynamic and high-paced environment
- Must have work permit in Switzerland

**We offer**

- High pace start-up environment
- Flexible working hours in arrangement with the head of department
- Competitive benefit package
- A young and dynamic team
- 5 weeks holidays
